

2022 Jumpers & Jazz in July Festival Sunday 24 July 2022

Organisers of Jumpers & Jazz in July festival invite you to lose the metro hustle and bustle and take a scenic drive in the country... perhaps a club run? And then lose yourself in some cool jazz amid the hospitality of a welcoming community who are dressing their CBD trees in warm, woolly jumpers for your winter entertainment and enjoyment.

In the midst of these uncertain COVID times, we have made a few changes to the way we plan and deliver the car event. **Jumpers and Jazz Inc** are delighted to be able to deliver a fabulous static display of veteran, vintage, classic and muscle cars including classic motorcycles to offer something different on the first weekend of the festival's 10-day program, also building on Warwick's reputation as the "Horsepower Capital of Australia".

The Grand Automobile Display will be conducted on **Sunday July 24 2022** The display will kick start for the public from **9:00am** as a static display in Palmerin St and Leslie Park till **2:00pm**. *(Please note earlier start/finish time)* 3 live music stages on the day - Post Office, Town Hall and Leslie Park – all with carefully chosen musicians to suit the car enthusiast crowd. Come to our region and enjoy brunch at one of Warwick's many cafés, spend your day browsing the art and craft while enjoying some cool jazz in the street. Please visit www.jumpersandjazz.com.au for a full program, available in April.

We took on board your feedback in regards to your concerns about people moving too close to your vehicles and potentially scratching or damaging them. For this reason, as well as enabling safe social distancing we have made some changes to the layout of the display to ensure appropriate spacing occurs.

We would be delighted if members of your car club would consider participating in this quirky Queensland winter festival as we'd love to match your enthusiasm for automobiles with our growing regional event. Last year, we delivered a very successful event with upwards of 6000 visitors in the street and in 2022, with borders opened up, we expect to return to our usual 10,000 plus on the day.

The Festival Organisers will provide more details regarding marshalling of vehicles, layout of the display and final event information closer to the event. We look forward to hearing from you soon.

Conditions:

- All vehicles/motorcycles on display are at the risk of the owner. Jumpers and Jazz in July Inc.
- Acceptance and placement of ALL vehicles is at the discretion of the organizing team consisting of Jumpers and Jazz in July Management Committee and sub-committee members

To assist us with planning the layout and placement of vehicles for this year, could you please answer the following questions? (please tick relevant boxes)

Have you exhibited in previous years? YES NO

Are you able to commit to participating til the event finishes at 2pm YES NO

N.B. Organizers prefer all participants to stay until the finish time of 2pm to cause least disturbance for other exhibitors, audience and musicians.

However, if it is imperative you leave early - please indicate approximate time here:

Forms can be returned in the following ways:
